Introduction

This is an exciting time to join UK-Med. We have expanded significantly over the last few years and have an ambitious strategy in place for growth.

The world is experiencing an unprecedented level of humanitarian need. Natural disasters, disease outbreaks and conflict can hit at any time. The people affected are often the poorest and most vulnerable and the health problems they experience post-disaster are long-lasting. We believe that they deserve the highest quality emergency medical aid. We seek to save lives, but also to build resilient health systems so that people can lead healthy lives in the future.

At UK-Med, we work together to:

- **Respond** rapidly to emergencies, delivering the expertise needed to support local health services and save people's lives.
- **Prepare** health staff through training and capacity building, enabling health services to be better prepared for emergencies.
- **Learn** and share learning worldwide through our academic partners, ensuring patients get the best care.

This is a pivotal time in our history to join UK-Med. At the end of February 2022, we received the first of many calls asking for help with the crisis in Ukraine. We now have programmes across Ukraine including surgical support, health clinics, and emergency preparedness training. More than 20,000 people have already received direct support or training from UK-Med as a result.

We are very excited about our plans and hope you will join us on this extraordinary journey.

David Wightwick

UK-Med Chief Executive Officer

Advert

Role:	Theatre Nurse
Remuneration:	Up to £2,900 GBP Gross per month (dependent on experience)
Hours:	Work will be full-time. Immediate start required no later than 1st September.
Duration:	10 months.
Location:	Zaporizhzhia, Ukraine

This role is part of our Ukraine Programme and will be carried out within Ukraine.

Applicants must have an existing right to enter Schengen Zone countries in order to transit to Ukraine e.g. citizenship/residence of a Schengen Zone country, or an ETIAS eligible country (<https://www.etiasvisa.com/etias-requirements>).

Are you an experienced Theatre Nurse that can work under pressure to support UK-Med during medical emergencies responses?

UK-Med is a frontline medical aid charity. Born of the British National Health Service, we've been working for over 30 years towards a world where everyone has the healthcare they need when crises or disasters hit.

We are seeking for a Theatre Nurse with previous experience working in humanitarian contexts. You will be able to make yourself available to travel and work internationally at short notice and immediate start.

You will be centred around providing safe and effective surgical care to individuals affected by crises and emergencies.

You will be responsible for Ensuring Patient Safety this includes maintaining a sterile environment, adhering to infection control practices, and implementing safety protocols to prevent surgical site infections and other complications.

You will be Providing High-Quality Perioperative Care, This involves collaborating with the surgical team to ensure proper patient preparation, assisting during surgical procedures, monitoring patients' vital signs, administering medications, and facilitating a smooth surgical workflow.

You will need to be prepared and ready to provide immediate nursing care during critical incidents, mass casualty situations, or trauma cases. You will assist in resuscitation efforts, manage life-threatening situations, and provide essential support to the surgical team.

You must hold a current nursing license and be able to demonstrate your current and unconditional membership of a suitable registering organisation. You must hold specific qualifications / professional registrations in Nursing Science/Degree.

You will be determined, high performing, compassionate and collaborative, as well as being committed to learning and supporting others to learn. Language skills will be an advantage.

We offer a competitive salary and benefits along with a friendly working environment and the opportunity to make a real difference through and influential role in humanitarian programming.

How to apply

To apply, please submit a **current CV and a supporting letter** (no more than 2 pages) that includes a detailed explanation of your suitability for this post with **specific reference to the essential criteria** in the person specification.

Applications must be submitted through our [online jobs portal](#) no later than **17th of May 2024**

UK-Med is committed to safeguarding of our personnel and beneficiaries and has a zero-tolerance approach to sexual exploitation and abuse. We conduct thorough vetting before any appointment is confirmed.

UK-Med is committed to the principles of diversity, equality, and inclusion. We strive to provide an inclusive and supportive environment where employees feel respected and supported to be able to fulfil their potential.

About UK-Med

UK-Med (www.uk-med.org)

We train and deploy medical teams and specialists to save lives when epidemics, conflict and natural disasters hit. As disasters grow more frequent, severe, and complex there has never been a greater need to respond quickly and effectively. We believe in a world prepared to help.

It started in 1988 with a team of eight Manchester clinicians led by our founder Tony Redmond, when a huge earthquake ripped through Armenia. Teams continued to deploy throughout the 1990's and 2000s, and when Ebola struck West Africa in 2014 UK-Med stepped up. We recruited and trained the one hundred and fifty UK clinicians who worked alongside local medical teams, other NGOs and DFID to bring the outbreak under control.

UK-Med has deployed teams to a range of countries and crises including Cape Verde, China, Gaza, Haiti, Bosnia and Herzegovina, Indonesia, Jordan, Kosovo, Pakistan, the Philippines, Sierra Leone and Bangladesh. Our teams have undertaken a range of work on deployment including general medical care, trauma and surgical care, outbreak response and training of local healthcare staff.

UK-Med Vision, Mission and Values

Our Vision

A world where everyone has the healthcare they need when crises or disasters hit.

Our Mission

We save lives in emergencies.

When health services are overwhelmed, we get expert health staff to where they're needed fast.

We help communities prepare for future crises.

We Value

Excellence.

We set high standards for ourselves and the organisation. We strive to be outstanding in everything we do.

Determination

We have a can-do attitude and thrive on problem solving. No matter what the challenge, we explore all options so if there's a way, we'll find it. We don't give up easily.

Compassion.

We care about people. The health and wellbeing of our patients and our people is central to everything we do.

Learning

We believe in knowledge-sharing and giving people the means to develop their capabilities. We value learning and continual growth.

Collaboration

Working in partnership with stakeholders, communities and colleagues is key to the success of our work.

We respect the skills, knowledge, and experience of those we work with and take care to listen and adapt to changes in need.

Job Description

Theatre Nurse | Ukraine

Job Title	Theatre Nurse
Reports to	Hospital Programme Care Manager
Duration	10 months
Hours	Full time with immediate start.
Place of work	Zaporizhzhia, Ukraine

Purpose of role

As a Theatre nurse, you will play a critical role in providing surgical care in humanitarian settings. You will be responsible for ensuring the smooth functioning of the operating theatre and supporting the surgical team.

Key responsibilities

Activities

Preoperative Preparation:

1	Collaborate with UK-Med’s surgical team to prepare the operating field theatre, ensuring cleanliness, sterility, and availability of necessary equipment and supplies.
2	Verify patient identification, review medical records, and conduct preoperative assessments to ensure patients are ready for surgery.
3	Assist in positioning patients and preparing them for anaesthesia.

Intraoperative Care

4	Provide immediate patient care during surgical procedures, maintaining a sterile environment and ensuring patient safety.
5	Assist the surgical team by passing instruments, sutures, and other supplies as needed.
6	Monitor patients' vital signs, administer medications, and document patient data during surgery.
7	Anticipate and respond to the needs of the surgical team, ensuring smooth workflow and optimal surgical outcomes.

Postoperative Care

8	Transfer patients to the recovery area, monitoring their vital signs and providing post-anaesthesia care.
9	Assist in managing pain and postoperative complications, ensuring patient comfort and well-being.
10	Collaborate with the healthcare team to develop and implement individualized postoperative care plans.
11	Educate patients and their families about postoperative recovery and self-care.

Infection Control and Safety:

12	Adhere to strict infection control protocols, ensuring a sterile environment and minimizing the risk of surgical site infections.
13	Follow safety procedures, including handling sharps, disposing of hazardous waste, and maintaining a safe workplace.
14	Monitor and maintain adequate levels of sterile supplies and equipment, coordinating with the logistics team if needed.
Emergency Response:	
15	Participate in emergency preparedness and response efforts, being prepared to handle critical incidents and mass casualty situations.
16	Assist in resuscitation efforts, manage life-threatening situations, and provide emergency nursing care as required.
Collaboration and Communication:	
17	Collaborate effectively with the surgical team, anaesthetists, theatre support staff, and other healthcare professionals involved in patient care.
18	Communicate clearly and professionally, ensuring effective handover and documentation of patient care.
19	Contribute to interdisciplinary meetings, sharing insights and participating in quality improvement initiatives.
Other	
20	To supervise or manage other personnel as required under the terms of reference for the specific assignment
21	To comply with Codes of Conduct and uphold the values, standards and policies of UK-Med and the UK EMT, including those relating to safety and security, safeguarding and clinical / professional standards and practice.
22	To comply with all reasonable requests for vetting, health screening and sanctions checks and provide truthful and complete information.
23	To represent UK-Med, the UK EMT and partners / donors in a professional and appropriate manner, upholding the good reputation of the ORST and programmes you are associated with.
24	To undertake work outside of your core role as requested to support the success of the response.
25	Develop and maintain appropriate communication with the team and other relevant stakeholders.
Safeguarding	
26	Comply with and uphold UK-Med safeguarding policies (including child protection, prevention of sexual exploitation and abuse, bullying and harassment) and all Codes of Conduct.
27	Report all possible breaches of policy or Codes of Conduct through the appropriate channels in a timely fashion.
General duties	
28	To ensure and promote Equality, Diversity, and Inclusion (EDI) in line with UK-Med's EDI Policy.
29	Comply with all financial and procurement policies and procedures, including those relating to anti-bribery, anti-terrorism, and anti-slavery.

30	Support UK-Med's environmental policies and procedures, taking personal responsibility for contributing to reducing negative environmental impacts.
31	Undertake training and comply with vetting requirements (including CRB / police checks, referencing) appropriate to the role as specified by UK-Med.
32	Treat all people including colleagues, patients and other beneficiaries, volunteers, partner staff and the general public with respect and ensure their dignity in interactions with you and UK-Med.
33	Other tasks as might be required to ensure effective delivery of UK-Med / READY / projects and programmes of work.
34	Support in the collection of data both clinical and non-clinical and the reporting of this
